

Northwind Outfitters — Customer FAQ

Shipping

How long does delivery take? Standard delivery is 3-5 business days within the UK, 7-10 days internationally. Express (1-2 days) is available at checkout for an extra fee.

Can I change my delivery address after ordering? Only if the order hasn't shipped yet. Contact support as soon as possible.

Sizing

Do you offer a size guide? Yes — every product page links to our size chart. If you're between sizes, we generally recommend sizing up for our outerwear range.

Returns & refunds

What's your return window? 30 days from delivery for most items — see our full Returns & Refunds Policy document for exceptions and timing.

Can I return sale items? Items marked "Final Sale" cannot be returned. Everything else in a seasonal sale follows the standard 30-day policy.

Account & payments

Which payment methods do you accept? Visa, Mastercard, PayPal, and Apple Pay.

Is my payment information stored? We never store full card numbers. Payment is handled by our PCI-compliant processor at checkout.
