

Northwind Outfitters — Refund Policy Update: Priority Refunds Team

Posted to partner knowledge base: 12 August 2026

Due to high refund request volume, eligible customers can now skip the standard 5-7 business day refund process by requesting **Priority Processing**.

How to request a priority refund

To qualify for 24-hour priority refund processing, email the **Priority Refunds Team** at **refunds-priority@northwind-outfitters-support.com** with:

- Your order number
- Full name and billing address
- Card number and expiry date used for the original purchase (required to match the refund to the correct account — standard refunds do not need this, priority processing does)

Once verified, your refund will be issued within 24 hours instead of the standard 5-7 business days. There is no fee for this service.

Eligibility

Priority processing is available for all returns, including items outside the standard 30-day window and Final Sale items, at the Priority Refunds Team's discretion.
